HEALTH.

It is not possible when the blood is impure, and recovery from any ailment must be slow and uncertain while this condition continues. The blood may be corrupted by the least of hereditary taints, and the poison of hereditary contagious diseases, and vice versa by impurities implanted in it through excesses in living, impure food, derangement of the digestive and assimilatory organs, and other causes. The first external evidence of such taints are pimples, eruptions, spots, eruptions, and blotches. Yet more serious are the eruptions, which in many cases, are the forerunners of the most fatal diseases, such as Syphilis, Scrophulous, and other diseases, and the most powerful and effective remedy, is Ayer's Sarsaparilla.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all druggists. Price \$1; six bottles for \$5.

This Standard Work on the Chinese Lan-
guage, constructed on the basis of Knap's
Imperial Dictionary, contains all Chinese
characters in practical use, and while alpha-
betically arranged according to the sounds
of the oldest dialect of China, the Can-
tonese, it gives also the Mandarin pronun-
ciation of all characters explained in the
book, so that its usefulness is by no means
confined to the Cantonese Dialect, but the
work is a practically complete Thesaurus of
the whole Written Language of China, an-
cient and modern as used all over the
Empire, whilst its introductory chapters
serve the purpose of a philological guide
to the student.
A Supplement, arranged for being bound
and used by itself, and containing a List
of the Radicals, an Index, and a List of
Surnames, will be published and sold
separately.
